Mrs. Janet Brandon,

I would like to take a moment to recognize the men and women who participate in the weekly carwashes here at the Auburn Police Department. As the new Chief of Police, I have seen the effort each one of the makes on a weekly basis to make sure our fleet of police vehicles is looking its best.

I am appreciative of the participants help and that of A.I.M and Associates, Inc. The officers are proud of their clean vehicles and proud to serve the community. Your participants assist in maintaining a high level of pride and excitement for our police department and community. I am thankful for the work they all do.

It is important that we maintain a strong partnership between our Community and the Auburn Police Department. I continue to be amazed at the level of support we receive from the community. I am aware this positive relationship goes two ways and the Auburn Police Department will continue to strive to provide a high level of service to our community.

Regards,

Chief of Police Ryan L. Kinnan
